Re: Glacier PAC August monthly report

Dear Ms. Kang:

This letter is in response to your letter dated December 13, 2000 and accompanies our electronically filed amendment.

- You noted that certain contributions to candidates appeared to designate for the primary election, after that election had taken place. These were computer errors and have been corrected and appear on our amendment.
- We have also corrected disbursements categorized as fundraising expenses, but not allocated to specific events.
- We have filed an H2 for the AFL-CIO event, which corresponds to the above-mentioned disbursement.
- We have also expanded on our descriptions of disbursements.
- Regarding our event-year-to-date calculations for both fundraising and administrative expenses, we have corrected these totals. When I corrected the above-mentioned fundraising allocations, the totals were also corrected.
- The disbursements to Dan Geisler, Carroll Travel and Big Sky International Air Show are now allocated correctly.
- The Kirkland and Ellis contribution was from the Kirkland and Ellis PAC, and not from a partnership.

If you require further explanation, please contact me at 202-728-1010.

Regards,

  
Holly Giarraputo
